Integrated Scanning

To easily organise and archive your information, you can use the MP 1600L/MP 2000LN's handy scan capabilities. Simply digitise directly from the device through the operation panel or make use of the TWAIN driver. Books and magazines can also be scanned: you can do so straight from the platen glass.

Standard Printing

Have a critical look at your document workflow and you will soon realise the importance of printing. Designed to handle any common office demand, the MP 1600L/MP 2000LN provide standard printing based on Ricoh's advanced Dynamic Data Stream Technology.

Cost Saving Duplexing

Create double-sided prints and copies without compromising on productivity. As the MP 2000LN takes care of duplex output at simplex speeds, you need not worry about delays. Along with saving on paper costs, you safeguard the environment.

Easy Networking

The Aficio™MP 2000LN offers you all you need for seamless network integration. Its standard network functionality lets you easily share all its powerful capabilities within your workgroup.

With the Environment in Mind

Like all Ricoh products, the Aficio™MP 1600L/MP 2000LN reflect Ricoh's commitment to the environment with the usage of toxic free materials*, limited ozone & noise emission and low energy toner production. The MP 2000LN goes even further and offers eco friendly standard duplexing.

* In compliance with EU RoHS directive (RoHS: Restriction of Hazardous Substances, effective from July 2006).

Your Basic Office Needs Covered

What would you say to cutting down your document handling costs and at the same time optimising the speed of your workflow? As the MP 1600L/MP 2000LN combine multiple functionalities in one package, they not only improve your document flow but also make sure your budget stays intact.

Multifunctional Performers

As office demands increase, so does the need to accelerate the way you work. Just think of the space, time and costs you save if one device takes care of all your office tasks.

The MP 1600L/MP 2000LN print, copy and scan: a powerful combination in an ultra compact device, ready to be placed anywhere in your office.

Easy Operation

You need office equipment that is easy to operate and maintain. Spending time on complicated user manuals and technical training is definitely out of the question. The MP 1600L/MP 2000LN make sure you can put your time to much better usage. With their straightforward operation panel and full front accessibility, anyone can print, copy and scan with the greatest ease. No expertise required in the long run either: the systems are virtually maintenance free.

Full front accessibility for optimum ease of use and simple maintenance.

Exceptional Paper Handling

Need to create a specific document using thick paper? Using the 1600L/MP 2000LN's bypass tray, there are no limits to your creativity. For extra efficiency, you can make use of the handy one-bin tray. To cope with peak periods, one or two 500-sheet paper trays can be added.

High Output Quality

Enhance your company's image with splendid business documents. The MP 1600L/MP 2000LN deliver the precise quality you are looking for. As originals are scanned only once, stored into memory and reproduced from there, output is impeccable at all times. Crisp and clean, your documents are set to leave a first class impression.
